

It Happened TODAY

United Nations

Gen. A. E. L. McNaughton, Canadian delegate to the General Assembly of the United Nations, speaking Tuesday in Paris, described what he called the bitter moment of defeatism which is facing the body. Said he, "Our case is not set at Mr. Grosvenor's desk, peace-loving nations of the world."

CANADA'S MCNAUGHTON ... His cap is set.

World

Nature

Scientists or birdologists possibly identified two whooping cranes at Rice Lake, 30 miles north of Sudbury, Ontario. Some birds from Canada have been searching for the breeding grounds of the birds so they can return to their previous place of residence. It is estimated that there are 36 of the birds, once numbered in millions.

In Moultrie, Ga., Muir, an 11-year-old cat, was busy licking his face at 100 kittens. His owner, Mrs. B. H. Sanger, said she had kept an accurate tally of the offspring of the cat, which is continuing the life it is having trouble giving them away. The neighborhood market is saturated with Muir's kittens.

Greatest Air Battle Commemorated

"EYES RIGHT" was command to almost 500 airmen and cadets in Edmonton's Parade of Remembrance Sunday, marking the anniversary of the Battle of Britain. Here Hon. J. C. Bowen, lieutenant-governor of Alberta, is seen taking the salute as a section of the large

parade passes the saluting stand at 101 street and Jasper Avenue. Standing behind the stand is Maj.-Gen. M. H. S. Pashay, general officer commanding Western Army Command and Air Comdr. K. M. Carscallen, chief staff officer of North West Air Command.

Church Parade Here Sunday Recalls Battle of Britain

Battle of Britain was commemorated in Edmonton Sunday morning by almost 500 airmen and cadets in a mammoth church parade.

Personnel of RCAF Station, Edmonton, No. 11 Wing, Air Command, 418 Auxiliary Squadron and No. 12 Air Cadet Squadron, turned out in force.

Parade assembled on the market square and Protestant personnel marched to St. Paul's Anglican Church and Roman Catholic airmen went to St. Joseph's Cathedral.

PASS CENOTAPH

Following the service, the parade re-assembled on 101 street and Jasper. Personnel paid their respects to the cenotaph and marched on to 101 street down 101 street to Jasper and east on Jasper.

Soldiers were taken at 101 street and Jasper by Hon. J. C. Bowen, lieutenant-governor of Alberta, his wife, the airmen and all other persons and civic officials.

The airmen were accompanied by the Princess Patricia's Canadian Light Infantry, a bugle band, dressed in scarlet coats.

Both church services paid tribute to the heroic deeds that marked the battle of Britain eight years ago.

TRIBUTES PAID

Wing Commander Bainbridge, who conducted the service at McDougall church, paid special tribute to the people of Britain. What this great battle means to Canada and the Royal Canadian Air Force, we cannot tell," Rev. Bainbridge added.

Padre W. H. Williams, who conducted the Roman Catholic service, also paid great tribute to those who paid with their lives during the furious battle.

"It is for us the living to learn a lesson from their lives. They played their part well. Their lives must not be sacrificed in vain."

WEEKEND CELEBRANTS SWELL TRÉASURY

It was an expensive weekend for 12 persons who celebrated unwisely and too well, police court records indicated today.

Fines and bail forfeitures paid by intoxicated persons who created disturbances Saturday and Sunday amounted to \$600.

Twenty dollar fines were levied against each of four persons who pleaded guilty to being drunk, and against four others who admitted creating disturbances by shouting in public places.

The court heard a long list of previous convictions, was fined \$40 and costs, and two others who failed to appear to answer intoxication charges each forfeited bail of \$30.

Imperial Oil President Speaks Here Thursday

The Canadian oil outlook as it applies to Alberta and its effect upon the rest of the Dominion will be the subject of an address by Imperial Oil Ltd., at a complimentary banquet tendered him by the Edmonton Chamber of Commerce.

The address will be given at the Macdonald hotel on Thursday evening next.

Imperial Oil executives attending the function will include J. R. White, vice-president; M. L. Halder, manager, Tarion; G. E. Morrison, F. G. Coyle, G. J. Macpherson, W. F. Prendergast, J. P. Martin, all of Toronto.

The illuminated address will be presented to Mr. Hewettson at the time he arrives.

"To whom thoughts, the number killed and wounded, mostly civilians, would have risen had it not been for the efficiency and devotion of the men and women of the Air Force, we cannot tell," Rev. Bainbridge added.

Padre W. H. Williams, who conducted the Roman Catholic service, also paid great tribute to those who paid with their lives during the furious battle.

"It is for us the living to learn a lesson from their lives. They played their part well. Their lives must not be sacrificed in vain."

Clubs to Get Later Closing

Some ex-servicemen's clubs in Alberta have received permission from the Alberta Liquor Commission to serve beer until 11 o'clock in the evening.

Authority of the Liquor Commission to grant such permission is contained in an official government announcement.

A. J. Mason, chairman of the board, pointed out the ruling was established after the board had obtained the privilege of the extra hours, clubs must first obtain permission.

Each case will be given individual study, Mr. Mason said and if the club meets the good license issued by the board, it will be endorsed with the notation permission has been granted to remain open.

Since wartime restrictions were applied such clubs have closed at 10 o'clock, one hour more as hotel beverage room.

New regulations require an old rule that beer may be served only to those members whose visitor lives more than 15 miles away.

Mr. Mason said this had had little effect on the clubs and the regulation will now be applied to all ex-servicemen's clubs.

On April 1, new and restrictive regulation on membership is noted where the club has obtained a banquet permit.

F. E. Hancock Heads Central League

F. E. Hancock was elected president of the Central Community League at a meeting held in the Canadian Legion hall recently.

Other officers elected were vice-president, S. Shandro; secretary, Mrs. F. Stanger, and treasurer, G. Fenby.

So you've bought her a new home!

A mortgage probably helped you to buy that home. But it can cause your widow to lose it! Why not guarantee the continuation of mortgage payments, and running expenses, through Imperial Life Assurance especially designed for these purposes?

Learn how accurately your Imperial Life representative can fit a policy to your personal needs. Call him in today.

Public Gets First View Army Week

Tonight Marks Beginning Of Week-Long Show

Army week, the first of its kind in Canadian Army peace-time history, will be inaugurated for the public at 7 o'clock tonight when the doors of the Prince of Wales Armoury are opened.

Desertions and displays,

which will be held every night this week, are part of a national army effort. In the city reserve and active force units have been working and displaying for weeks to arrange displays.

The evening showings for Army week will feature some special attractions from each of Edmonton's nine reserve force units and army organizations which the Red Cross and Edmonton Safety Council are joining the army for nightly showings.

The evenings will begin at 7 p.m.

Admission is 50 cents.

At the armory there will be

Commission and Differentials

There is no conceivable reason why the royal commission which is to be established by the federal government to enquire into "national transportation" should not be specifically allotted the task of investigating freight rate differentials.

It has been ruled in Ottawa that the fixing of freight rates cannot properly be handed over to a royal commission because the board of transport already has this in charge.

But if the new royal commission, recently announced, can look into matters of national railway policy, surely it can look into the differentials because these are most fundamental items of national policy.

The prairie differential and the mountain differential burrow far deeper into the national economy than any specific

list of freight rates because they perpetuate a discrimination that is inimical to Canadian unity and disruptive to western industry and agriculture.

The 26 per cent prairie differential and the 46 per cent mountain differential are but two manifestations of inequality in haulage costs that no longer exist.

They are repugnant to every principle upon which the Canadian constitution is founded.

The board of transport apparently has no intention of bringing these differentials under review.

But certainly a royal commission set up to survey national transportation would bring in a thin and unsatisfactory report unless it included consideration of this iniquitous and unnecessary and just penalization of the West.

Better Directions For Visitors

The Edmonton Chamber of Commerce very properly calls the attention of the city to the fact that removal of street centre power standards has deprived the downtown area of street markers.

It is essential for the convenience of both visitors and residents that all streets be plainly marked.

But the Chamber of Commerce could very well have gone a step further and emphasized the additional need for street car and bus directories throughout the city.

Politics and the Labor Movement

The current purge of Communists in the ranks of Canadian Labor, based on the discovery that politics and the Labor movement do not readily mix, has a peculiar and significant parallel in the larger field represented by the World Federation of Trade Unions.

This World Federation of Trade Unions was launched at Paris in 1945 under the sponsorship of British trade unionists who hoped to form into one great happy family the workers of all nations irrespective of creed, race, political, religious or philosophical distinctions.

It was expected to embrace more than 70,000,000 members from 55 countries, including the Soviet Union.

But that organization, formed under the happy assumption, has not fulfilled a single one of its ideals.

For the members from the Soviet Union insisted upon interpreting politics into its operations with the result that many reputable trade unionists have held aloof from it, particularly since its publication.

Keep Rats Out of Alberta

Report that a grey rat has been seen in an Edmonton building should remind Alberta people of the grave necessity for keeping these rodents out of the province, one of the few ratless areas in the world.

Coincidental with this report is a story from Winnipeg of the desperate efforts being made there to rid the city of the costly and dangerous pests.

Twelve health inspectors distributed 1,300 pounds of poison and killed off 50,000 of the animals.

Elmore Philpott

Pearson Right Man For Difficult Job

In Foreign Affairs

PHILPOTT

are used to radiate from our thin-airplane cities. Mike, however, needs to live with his feet on the ground.

Till the war drags on, the battle flags were furled.

Mr. Pearson, Minister of War, the Federation of the World,

There the common sense of restraint must hold the line.

And the kindly earth shall slumber, lap in universal peace.

I would also like to point out that Mike Pearson's main purpose in life is to do his bit to make Canada a great nation. Tennessee, and that's what he did.

If my memory serves me right Mike Pearson first entered the political arena when the Liberals were in office, but it was in H. R. Bennett's day that he became a member of Parliament.

The man, now, is a practical peacemaker as much as we need him. Let them right now, and we have no one to blame but ourselves for doing so much practical peace-making as is the hon. L. B. Pearson.

Sons of Ministers

I have watched the rise of the general and unique institution of leadership sons of ministers, which would certainly make an epic figure, but not because I can truthfully say "I knew him when."

We were born together at the old Hamilton College. We were both ministers' sons and used to be kidded in the song then current, "The Sons of Ministers."

At that remarkable and unique institution of leadership sons of ministers, we would certainly make an epic figure, but we had come under the influence of the CCF.

The sons of ministers, like the sons of ministers in the U.S.A., are the sons of ministers.

I would like to think that Mike Pearson can still recite the heart of "Lucky Luke" for all the digressions he has made in the famous Price Spreads Commission. Harry signed his own political death war-

rant by doing that grand job that he then did for the public welfare of Canada.

But don't you see, for moment that the young Mike Pearson did not hear or has forgotten the name of his son, he is a stand on questions of economic and industrial relations. I should like to think that he has done this for those who don't, that Christ concerned himself with the life after death.

According to the Scriptures he (1) repented, (2) gave up his life of change, (2) fed the hungry, even on the Sabbath, (3) Conformed the service of God. See? That's what I thought for the moment. (No plowing up of oil stocks, real estate etc.)

(4) Forgive the people who gave them the incentive to reform.

Can it be that Christ himself who has been here to teach us the teachings of Christ? It is a detriment to Christianity to have to go through all this.

They further state that "the Jews created a universal economic crisis in Hitler's time."

The depression of 1928 was the depression of Hitler's time.

The further state that "the Jews created a universal economic crisis in Hitler's time."

The depression of Hitler's time was the depression of the Chinese.

Mike Pearson's act will be the greatest contribution to the world.

He will be remembered as the greatest son of a minister.

I expect to see many more great things from Canada's new minister.

So the surrenders is a godsend. However, it presents the Dominion of India with some stiff problems. They have said that the continent such a bloodbath as that trained land never before seen.

Certainly a continuation of the present conflict threatens to give birth to a new and terrible civil fighting which might have run the length and breadth of the great peninsula.

It was the old, the state of Hindu terror.

The rive division of Pakistan which is mainly Muslim, has been a constant source of trouble.

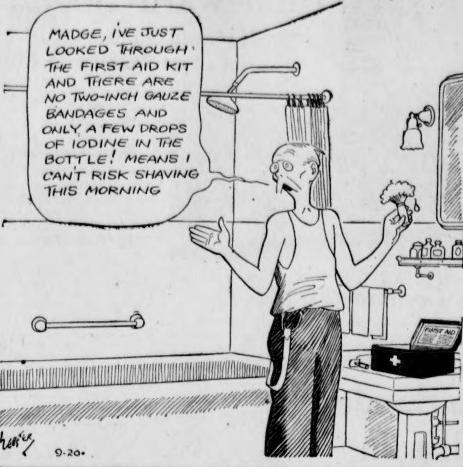

One other forgotten fact is that

Mike Pearson's act will act the digression for the Hon. Harry

Price Spreads Commission. Harry signed his own political death war-

THE TIMID SOUL

By Webster

Strong Bid For UK Settlers By Every Dominion

From the London Mail Weekly
Emigration to the Empire No. 1 "settlers" tour, when nearly 100 representatives of Commonwealth Parliaments met in London last week. But it will not be entirely a domestic problem, as the question must be raised as to whether the security of the Anglo-Saxon world.

The migration question had not been raised at the end of the tour, it was however forced into priority prominence by two recent Commonwealth conferences.

1. South Africa's withdrawal of the three Union-Castle "settler ships," the "Empress of Australia," "Caravon Castle" and "Australis Castle," which have been used especially for taking immigrants and the Government's announcement of immigration restrictions.

2. The announcement by Mr. Calvert, Australian Immigration Minister, that prospective settlers must wait until all British migrants, who have been granted passage arrangements or not.

While South Africa proposes to offer more effective and discriminatory restrictions to prospective immigrants, both Australia and New Zealand are negotiating with the British Government extra shipping to speed up immigration into those countries. Meanwhile, the attitude of the British Government has not changed.

In the meantime every possible effort will be made to recommend ships to Australia to take advantage of the three years that were leased to South Africa and which will now be withdrawn.

In the meantime every possible effort will be made to recommend ships to Australia to take advantage of the three years that were leased to South Africa and which will now be withdrawn.

The Chitral, for instance, a P & O. liner of 16,000 tons, has been chartered to Australia, migrants—over 400 more than the total number of passengers she can accommodate—will be taken on Eastern routes.

Many ships of the regular lines

are being adapted for emigrant purposes, and the British Government will use "settler ships" to Australia to large degree even though they originally agreed to transport

them to New Zealand.

This is a matter of high policy which will have to be decided when the Commonwealth representatives meet in Australia for the great Autumn conference.

But so far Britain's Ministry of Transport and British lines companies are in full operation with the Australian Government to facilitate transport of prospective settlers in Australia from Britain.

What a psychology and may be the good nature overlook it, is the British Israel Society's privilege to interest prospective immigrants with all the known benefits of the Commonwealth.

MOREY RIMSTAD
Inks Flyer contract.ANDY CLOVECHOK
Returns to fold.

Clovechok, Rimstad Ink Flyer Contracts

Two more Edmonton Flyers have inked their 1945-46 contracts to bring the number of players definitely on the Allan Cup champions' roster to eight.

Andy Clovechok, from the Wainfleet, Ontario, Canada League, who in the Western Canada League last season, signed Sunday following the club's first practice of the year.

THE OTHER SIX

Defenceman Bud MacPherson, captain Gordon Watt, Doug Lane and Bill Pettinger, goalies Keith Woods and Jim Lomax, and centre Bert Battie are the other six.

The Flyers will be out to become Canada's top amateur hockey team for two years running, afeat that hasn't been accomplished in 15 years.

Not since 1934, when Moncton Japs had a team in the Allan Cup, has any team mastered it twice for two straight years. Port Arthur Beavers, 1935-36; Toronto Grizzlies, 1936-37; and the St. John's Toros in 1931-32 also managed to make it two-years grade. No team has won three straight championships.

The year started off with a bang, as the team 30 players donned their skates and loosened up on Arena ice. Of these, 10 were regulars for the year, and one was a signed import. Missing were Watt, away on holiday, and Battie, with Vancouver Canucks of the Pacific Coast League. Last season, sidelined with an injured eye, Battie, Alex Pringle and Artie Lomax were the best the Pacific Coast League in 1945-46.

Doug Lane, Bert Battie, Artie Lomax and Harvey (the Young) and Fergie and Fred Smithin, Elmer Kreitzer, Clovechok, Pringle, Rimstad, Billy McElroy and Gordie Bremby of the champions were in action.

STANLEY A WHIRL

outstanding among newcomers destined to play for the team.

Attack makers of the team won't be known for some time, however. Coach Frank Currie will be with his team when Chink Kubala, Tom Malenich knifed through for the Leafs, grabbed the ball and raced to the EAC net before being taken by a maze of ticklers.

Simon shifted left end on the next play for a winning score. Ross followed from a free-throw line.

EAC were on the march when disaster struck in the fourth quarter. Jim Poole recovered a Leaf fumble, took it to the EAC 20 and picked up 14 yards on a sweep to the right.

That set the ball to the EAC 51. Mervin Smith, the backer, tossed a short lateral pass to Bill (Chink) Kubala, but this attack was broken up when Chink grabbed the ball, took it to the EAC 10 and scored.

With the ball to the EAC 10, he tossed it to the EAC 20.

Flyers will hold training sessions, mostly skating, from 6 to 8 p.m. all week and swing into gear Saturday at 10 a.m.

Coach Currie expects to have a good idea of his team by the end of the second week's work.

An old tiger may develop a taste for human flesh because he is unable to overtake his usual prey.

Leafs Out-Kick, Out-Luck EAC's In Junior Grid Test

Jack Ross and Don Simon Pace Blueshirts to 9-1 Triumph

Maple Leafs out-kicked and out-lucked EAC Sunday afternoon to win a junior football fixture 9-1. 2,000 fans bulged Clarke Stadium to witness Bill Mayson's Blue shirts upset EAC for the second straight time.

In previous games this season the Leafs won 12-6 and were held to 5-5 tie.

Throughout game harvest afternoons Leafs took advantage of a stiff south wind as an aid to their kicks and led 3-1 going into the third quarter. It was an EAC fumble late in the last stanza to set the stage for a converted Maple Leaf touchdown.

ROSS, MAGNETIC TO LEAFS

Maple Leaf coach Ross was the boy of the kicking game employed by the Leafs and Don Simon shook himself clear behind perfect interlocking.

EAC kicked off to start the match and Leafs took to their own 53-yard line on two first downs. It was a 10-yard run by Ross that Mayson's Blue shirts were held to 5-5.

When Mayson's Blue shirts in the Blueshirt backfield and optioned to the EAC 20 before being dragged down.

Graham fumbled and the clubmen recovered. But Benjamin had to give the crowd to life as he was to be the longest run of the game.

Long Swanson held the ball out of danger at this point, and the Leafs gained possession on the EAC 26. They were penalized 15 yards for a holding foul and were forced back to the 41.

From there Ross, who kicks with his left foot, booted the ball to the 12 for a 10-yard gain and EAC 0.

Before quarter ended, Ross again had EAC 29 before holding and grabbing penalties shoved them back to the 44. It was from there that Mayson's Blue shirts booted the clear and gave his club a 25 advantage.

CRABBING PENALTY

The crashing penalty was an important one, marking the 10th of referee Reg (Pep) Moon. He didn't appear back of the ball from the Leafs.

Small kicked the long EAC pass after a 10-yard gain, and the ball was by Grahams was recovered at mid-field and on the first play was given to the EAC 20. The ball was then booted to the deadline, Leaf 2, EAC 0.

A rough in the third quarter moved Leafs ahead 3-1. Ross got away from the EAC 20 and from the EAC 35 which David MacPherson scooped up back of his own goal line. He was pulled down by Stevewall and the ball was recovered.

EAC were on the march when disaster struck in the fourth quarter. Jim Poole recovered a Leaf fumble on the EAC 20 and Swanson picked up 14 yards on a sweep to the right.

That set the ball to the EAC 51. Mervin Smith, the backer, tossed a short lateral pass to Bill (Chink) Kubala, but this attack was broken up when Chink grabbed the ball, took it to the EAC 10 and scored.

Simon shifted left end on the next play for a winning score. Ross followed from a free-throw line.

EAC were on the march when disaster struck in the fourth quarter. Jim Poole recovered a Leaf fumble on the EAC 20 and Swanson picked up 14 yards on a sweep to the right.

That set the ball to the EAC 51. Mervin Smith, the backer, tossed a short lateral pass to Bill (Chink) Kubala, but this attack was broken up when Chink grabbed the ball, took it to the EAC 10 and scored.

Simon shifted left end on the next play for a winning score. Ross followed from a free-throw line.

Monday Blues and What's So Blue?

BRANDON, Sept. 20.—Monday blues and what's so blue about it could well be St. Louis' problem if the rest of the Bombers' Cleveland Indians may yet get to play in the World Series? As elsewhere interest in the major league races is red hot in Brandon, with the American League chase, of course stealing the show to some extent from that of the National, where the Boston Braves appear to have won it all and just jogged their boat in so doing.

And if Cleveland gets into the series how are you going to separate a tribe of Braves from a passel of Indians? This enterprising Manitoba pitcher doesn't have anything to brag about either in golf courses, but his local golfers can drive 60 miles to Clear Lake and its fine 18-hole layout. That tour of the west which Stan Leonard and Bobby Locke made last month took them to Clear Lake and several hundred Brandonites were over for the sun in fact the Clear Lake promoters who were the only sponsoring group to do much good on the Locke-Ledwardo tour.

One heart, Leonard took down close to \$4,000 net for his two weeks' effort. No wonder he didn't find time to show in to America (open \$300 first money) at Calgarian earlier in month.

Buddy Noon, 17-year-old Edmonton netminder who is training here with Cleveland Barons, has been sidelined with an injured shoulder. A high shot caught him where it hurts and trainer Walter Robertson advised him to sit it out for a couple of practices.

The Old College Try for Black

Adds problems of lining up a hockey team in those days of inflated values. The members of Saskatoon Quakers, who get along in line in the year's club had decided to cut a certain pittance but to a contract calling for a \$25 a week slash in salary. However, the Port-Land team of the Pacific Coast loop also were after the puckster, and in the resulting fight inker a Saskatoon forward at an increase of \$3 per week over last season.

Herb Stark, once-upon-a-time goalsie of Edmonton Eskimos in the days of Keats, Gagne, Simpson et al., makes his home in Brandon. He is the newstand game and as a result finds down a spot on the executive of the junior White Kings.

Regardless of whether or not he eventually decides to give over his yen for professional hockey in favor of the life of a teacher, Stark will be back in Brandon for at least another week. He had a long conference Sunday with Norbert Stein, Baron general manager, and plans to give it the old college try.

Among those pushing hardest for Don Black to recover: All the thousands of members in good standing of alcoholics anonymous which Black holds a card.

That Option System Squabble

Funny how often you run across people who are more than fed up with the Edison system of ticket distribution as practised by the Canadian Exhibition Association. Just today I made the acquaintance of "Snap" Warner, former contract rider for C. V. Whitney and other prominent U.S. stables who came to Canada a couple of years back in the interests of a little money.

Edmontonian, Eddie, tried unsuccessfully

all last season to latch on to at least a pair of ducats, sees no reason to feel any better about what's in store in the next few months. As he puts it, Virginia's option is "Doggone, I've got to pay my option, my option, and I'm gonna spend lots of money in and around the city. I drive a Canadian-manufactured automobile, I pay most of my income taxes to the Canadian government. Still haven't a hope of seeing any of the Flyers games this season. I just get ticky-tacky."

Lester Bernstein is certain it's an unfair situation and also is of the opinion that eventually Arenas crowds will drop off because of the resentment created by the players. A U.S. Army veteran, he spent six years in the service, was released and received several demotions. Lester thinks the Exhibition Association should offer a certain percentage of tickets for sale for every game. Is there any argument?

You can look for Fort Garry to pony down with the big end of the purse at Chicago one of these times. The Bombers' troubles started following the close of the western Canada season a week ago. Owners of Big George, two year-old-of-the-prairie, have "X-rayed" an offer of \$15,000 for the Winnipeg futurity winner.

Calder Lassies Take Community Ball Title

Calder girls Sunday won the Community League's intermediate fastball championship when they trounced the Highland nine 8-0 in Kingway in the first half of a benefit doubleheader.

In the second game Mortons trounced the Community league all-stars 7-3 in an exhibition tilt. The profit was for Highways, who broke their leg during the league schedule. Entire proceeds of more than \$50 were turned over to the Calder girls.

Calder's win over their rivals off Florence, Morgan before she was relieved by Winnie Reid, in the end.

In the second game Miss Spotswood took in all her trouble at one time, allowing the Mortons to square (7) and Arnold to break for four.

Boudreau, Musical

ST. LOUIS, Sept. 20.—(AP)—Manager Mortons' Lou Boudreau and outfieldsman Stan Musial of St. Louis Cardinals were named by the American Newsweek as the outstanding players of their respective leagues in the fall.

They were the only ones picked by the Associated Press, while the All-Stars were selected by the Sporting News.

Both the Calder girls and the Mortons' ball teams were named by the Associated Press, while the All-Stars were selected by the Sporting News.

The victory was Bombers' third in a row—and against Odds-and-ends, the four point aggregation. Calgary Stampeders lead the three-team loop with five straight triumphs.

While he didn't score a point,

Geller set up plays which led to both touchowns and a play-off split defensive record.

Montreal's Winnipeg Blue Bombers captured their first home-game of the season Saturday by coming from behind to beat the Ottawa Rough Riders 15-9 in a Western Interprovincial Football Union game before approximately 15,000 spectators.

NO LONG FACES are evident as American airmen prepare to disembark in Liverpool. Two transports carried 2,500 men to the Old Country to service big bombers and other planes now engaged in the Berlin airlift.

Castor Experiences First Parking Problem

CASTOR, Sept. 20.—Castor experienced its first parking problem Wednesday night when cars from surrounding districts poured in to attend the third annual "Herschel's Hey Day." None can recall seeing more cars at any one time in Castor.

The crowds good-naturedly took the inevitable cranking that ensued especially during the dance. And then at midnight the event of the evening saw the building crammed with drivers, their money strewing, and rolling a barrel was opened and the lucky door prize was drawn. The holder became the owner of a 1949 Ford Coupe—the most popular car in the western provinces.

Imperial Oil, Ltd., is test drilling in the Shandro district.

Many town people. This money will be used to build an arena, under way for some time.

The wild elephant has been almost entirely wiped out from India and now can be found only in higher ridges and plateaus.

Who is missing?

Because of the great variety of problems facing management it is important that the man who has contacts with business other than your own should not be missing from your conference.

The executive officers of The Bank of Toronto have these contacts. They co-operate with the manager of your local branch of this bank in supplying information relevant to your problems.

DISTRICT NEWS IN BRIEF

Stettler Hospital Adding 25 Beds

STETTLER, Sept. 20.—Work on the addition to the Stettler Municipal Hospital is progressing rapidly and it is expected it will be completed by December. The addition is a three-storey structure 100 feet by 40 feet.

The basement floor will have a tall operating room, sterilizing room, laundry room, director's room, accommodation for nine members of the staff, staff sitting room and a lounge.

The first floor will have two double bedrooms, one double ward, five single rooms, a large sun parlor and a utility room.

The second floor is to be used to accommodate the Matron and eleven nurses.

With the completion of the addition the hospital's official capacity of 29 beds will be increased to 54 beds and much better X-ray and laboratory facilities will be provided.

Hospital Fixtures Reach Pouce Coupe

DAWSON CREEK, B.C., Sept. 20.—Wire and fixtures for the new hospital at Pouce Coupe have arrived and installation work on the wiring has already begun. A radio and gasoline model wash machine have been donated to help finance the new building. The old hospital at Pouce Coupe is now closed and patients are being cared for at St. Joseph's in Dawson Creek.

Legion Branches Will Hold Rally

OLDS, Sept. 20.—A rally of the Canadian Legion of Zone 2 taking in the area of Lethbridge, Cochrane, Sundre, Didsbury, Castor, Cremona and Crossfield will be held on Sept. 20 at 8 p.m.

Speaker guests will be the provincial president, Carl Heeckert of Vernon, and the Red Cross-area director, George Gleaves of Edmonton.

Didsbury Schools Fully Staffed

DIDSBURY, Sept. 20.—Didsbury schools have a full complement of teachers, including principal, Mrs. Andrew Jones, British Minister of Foods, together with Mrs. Jones' husband William, and teacher Misses Elizabeth Edger, T. Wigle, Wynne Stauffer, Herbert Stiles, Audrey Evans, Clara Wilson, Evelyn Williamson, Clara Cliffe Wood, Alice Francis, Alison East and Ralph Hoover.

Toftield Garage Being Enlarged

TOFIELD, Sept. 20.—Hans Sir Andrew Jones, British Minister of Foods, together with his wife, Mrs. Andrew Jones, and son, Ken Klittidge, who had won the \$1000 ticket by his father, is now the proud owner of the new car which he has bought with all the cash to further his higher education. Ken is a local boy.

The Toftield Garage, Inc., had ever and several hundreds of dollars were raised with the help of

many town people. This money will be used to build an arena, under way for some time.

The wild elephant has been almost entirely wiped out from India and now can be found only in higher ridges and plateaus.

Bank of Montreal Acquires Building

CAMROSE, Sept. 20.—It has been announced that the Masonic Temple Company has sold the Masonic Hall on Main Street to the Bank of Montreal.

The hall will start renovating the building to suit their own purpose in the spring and to make it a modern up-to-date building in style.

Conservative estimates place the cost of remodeling at around \$35,000.

KILLAM SECURES NEW X-RAY

KILLAM, Sept. 20.—Killam General Hospital has installed a new and fully equipped X-ray unit. The cost of the equipment is \$4400. The word in a machine of its kind, the Model B-30, is diagnostic.

X-ray is a powerful efficient, flexible, compact shockproof combination with a wide range of services.

The unit is used for radiographic and fluoroscopic diagnosis and is especially designed for the diagnosis of chest X-ray. This will place within reach of everyone a service which has hitherto been obtainable in large centres. This has been made possible through the effort of the Killam Aid.

Pioneer Celebrates 85th Anniversary

CALMAGAN, Sept. 20.—Historical Society of Alberta, Mr. John Falk celebrated his 85th birthday yesterday. Always in good health and the only remaining couple of the original principals of the community, Mr. and Mrs. Falk, 91, are members of the historical society.

Mr. Falk was born in Norway and migrated to North Dakota in 1886. In 1898 he took a trip to Canada and took land in what is now the centre of the Leduc-Calgary oil area.

Mr. Falk's 85th anniversary celebration were the eldest son, Athan of Calmar, two daughters, Mrs. Jessie McRae, Mrs. Anna and Mrs. Marie McDowell, Edmonton and Rudolf, youngest son of Calmar. One daughter, Mrs. Andrew Forster, resides in Vancouver.

Stafford Cripps Here for Finance Parleys

MONTREAL, Sept. 20.—Sir Stafford Cripps, Chancellor of the Exchequer and custodian of the British economy last night expressed confidence that forthcoming economic talks between Canada and Britain will bring in an early co-operation between the two countries.

Sir Stafford arrived last night by air from Britain to begin talks with Canadian government officials on the general field of Anglo-Canadian economic cooperation.

He was met at Montreal airport by Sir Alexander Clutterbuck, High Commissioner to Canada, and left immediately for Ottawa.

Mr. Cripps is the newly-appointed chief of the Grain Growers elec-

15-YEAR-OLD WORKS ON BOAT

DAWSON CREEK, B.C., Sept. 20.—Although only 15 years of age, Edwin Lee of Dawson Creek, worked for the last six months on a boat operating between Whitehorse and Hazelton, Yukon. His parents, Mr. and Mrs. G. Knott, also were on the agenda.

Members of the Red Deer Curling Club at the recent semi-final at Payallup, Wash., were

financing the season and a

new budget were announced.

Plans to compete are pro-

pects of a large membership.

Red Deer Groups Hold Meetings

DAWSON CREEK, B.C., Sept. 20.—The first public meeting of the Red Deer Athletic Association this year was held in the city hall. Thirteen Hockey was one of the important masters to deal with and has

been a great success. The

Red Deer Curling Club

has now returned home to his

parents, Mr. and Mrs. G. Knott.

Brig. McKee Heads Canadian Association

OTTAWA, Sept. 20.—(CP)—Brig. C. S. McKee, of Toronto, was elected president of the Canadian Ski Association.

Vice-presidents elected were Lt. Col. Gordon Grant, Halifax; Lt. Col. J. H. Townsend, Montreal; Lt. Col. A. L. Brewster, Toronto; and Lt. Col. H. S. Patterson, Calgary.

Elective secretary-treasurer was Brig. A. W. Beaman, Ottawa.

Sounding Creek Project Launched

ESTHORN, Sept. 20.—A meeting was held in Esthorne Community Hall, Sept. 16, to discuss the proposed Sounding Creek irrigation project and was addressed by Messrs. Cougill, L. E. Helmier and J. C. Gosselin. The project was discussed as the possible allotment of irrigated lands in the valley.

The irrigation project of vital importance to all local farmers, ranchers and business men.

The Irrigation Association of Alberta, which is the

construction crews are now working south of Esthorne connecting the Sounding Creek irrigation project with the Esther-Sibbald highway and the highway along the correction line.

The road will be built by the Royal Canadian Legion, R.M.V.C.R.,

believe, rushing as the season closes

as soon as the heavy frosts set in.

At the home of Mr. and Mrs. H. Gosselin.

TEEPERS AND TOTEM POLES have been erected on the University of Alberta campus as part of the Indian motif initiating freshmen this week. Two braves and a squaw, who took time out from touring the campus to rest a while, are Joe Miller, 11048 103 avenue; Pat Scott, 11045 82nd Avenue Drive, and Morris Friedman, 11219 100 Avenue. Both freshmen, wearing feathers, are beginning pre-medical studies while Miss Scott is a second year Household Economics student.

Drumhead Church Services Open Army Week in City

More than 500 active and reserve personnel, largest peacetime turnout of Army units in Edmonton, marched through downtown streets Sunday to attend special drumhead church services.

The services marked the opening of Army Week, being held every day this week all across Canada.

Services were held on the lawns south of the legislative buildings under warm sunshine and in the beautiful green lawns and grass, colorful flowers and trees.

SEPARATE SERVICES

The soldiers, after assembling on 103 street just north of Jasper, marched in separate groups to grounds where the Protestant and Roman Catholic personnel divided into separate groups for different services.

H/ Major R. O. Wilkes, MC, Western Command, marched with the Protestant service, which was also attended by a large crowd of citizens.

Others taking part in the service included H/ Major E. J. Bailey, H/Capt. J. G. Troyer, and H/Capt. S. D. McLean.

Roman Catholic service was conducted by H/Capt. D. W. Martin.

Following the services, the troops

reassembled and all took part in a grand march-past ceremony.

Lt-Gov. J. C. Bowen, Major-General M. H. S. Penhale, general officer commanding, Western Command, and several other high-ranking officers of the Navy, Army, and the Royal Canadian Mounted Police, and the north step of the legislative buildings.

Several separate army units took part in the special services.

Officers and men of head-quarters, Western Command, under command of Lt-Col. C. W. Lockhart, attended in force.

Both of Alberta's active force units were brought to the city and marched in the parade.

Strathcona's Horse Regiment, commanded by Lt-Col. A. G. Chubb, and the Royal Canadian Dragoons and Light Infantry, commanded by Lt-Col. N. M. Gunnell, came from training camp Wanwright.

Two BANDS played in the parade, marched to the music of reserve force bands of Loyola, Edmonton, and the PPC. The Loyal Edmonton Regiment band also played at the picturesquely arranged services.

Following the marching, the troops again marched through downtown streets to the strains of the music of the two bands.

GENERAL superintendent of Alberta district of Canadian National Railways is F. Cooper, shown here in his office. He succeeds F. H. Keefe, who has been transferred to Vancouver.

Humane Society Meets Tuesday

Monthly meeting of the Alberta Humane Society will be held in the YWCA Tuesday at 8 p.m.

BEAUTIFUL SETTING on the lawn of the Legislative Buildings was scene Sunday of drumhead church services conducted for more than 500 Army personnel. It was the biggest turnout of soldiers in Edmonton during peace time and previewed the opening of Army Week here today.

New Students Jam University Campus

Hundreds of Freshmen Register Today, Tuesday

Hundreds of new students in feathers and loin cloths crowded the University campus today as U of A began its first session.

Most of the campus activity dealt with the traditionally bewildered freshmen, those students seeing the campus for the first time.

It was estimated that more than 400 students would be registered today.

Another four or five hundred freshmen will register Friday evening.

From registration the freshmen were kept busy joining one of the dozens of campus clubs and other organizations.

Apart from registration the freshmen were kept busy joining one of the dozens of campus clubs and other organizations.

Students and their mothers and fathers, the garb chosen by upper classmen as the initiation costume for first-year students, the strenuous games taken up by senior students, had medical examinations and strolled around the university grounds trying to get used to it all.

FRESHETTES ENTERTAINED

Freshettes were entertained at coffee by the Waunaeta Society, official women's organization on the campus.

All freshmen students have to know where they are going to go to school, and professors "the Great White One."

First-year Engineering Committee, directed by Arts Student Tom Hwy, Oshawa, X, organized a full week of activities for the new students.

The freshmen will have a chance, Tuesday night, to join various clubs after tea at 8 p.m. at a pep rally and go to dances.

Men will hold a smokers' Wednesday night and girls a women's night. Both will go on a hike and women will go on a bike and swim meet.

President Robert Newton will officiate at the first新生 orientation on Thursday night at a meeting in the Education Building.

In the meantime, the 1,000 freshmen will be wandering around Edmonton's South West wearing a head-dress of green and gold feathers and a loin cloth, also in green and gold.

Clothing is worn under the loin cloth.

Triplets Born Here Sunday

Edmonton's first triplets in several years were born Sunday at the Mount Royal Hospital to Mr. and Mrs. Norman Barrie, 9615 79 Avenue.

The babies, all boys, have been named Tom, Teddy and Terry.

The first of the triplets, Tom, was born at 6:45 a.m. and weighed six pounds. Teddy, the heaviest weighing six pounds and one ounce, was born at 7:15 a.m. and Terry, at 7:19 a.m.

He weighs three pounds three ounces and is about four inches long. The other two babies are in the incubator room. All are in good condition, hospital authorities said.

For the 25-year-old mother and 26-year-old father, a blood test at International Blood Bank in the city added to the family's "full house."

The babies have a boy five years old and a girl of two.

The babies were delivered by Dr. G. C. Clark, who informed the parents several months ago that a multiple birth was expected. Nurse in charge is Miss Almina Hill, RN.

Anglican Field Secretary To Tour North Districts

Rev. F. A. Peake, western field secretary of the Anglican department of religious education will make an extended tour of Northern districts and the Peace River district.

He will visit St. Mark's Church, Dawson Creek, St. Mark's Church, Fort St. John for a conference with church leaders. During the tour he will also attend the synod of the Diocese of Athabasca, and the Athabasca district conference of the Anglican Young People's Association.

He will return to Edmonton about the end of October.

Truck Slices Off Two Poles

Three persons escaped injury in Edmonton's only major weekend accident when a heavy truck ran off the road and sliced two poles near Jasper Avenue Sunday morning.

Todays "freshies" gathered in four schools and faculties at one time, in an attempt to register all new students.

Today they will all new students registered before the rush of students begins.

DRIVER KILLED

Driver of a 1949 115 bus pleased guilty in police court today to a dangerous driving charge and was fined \$50 and costs of three months.

Brutus, 115, was driving his bus when he lost control of the truck as he turned north on 82 Street from Jasper Avenue.

When he hit the curb he jumped the curb and continued another 30 feet.

He hit a utility pole and a 14-inch diameter electric line pole.

About 13 feet beyond this point struck another pole, snapping it at the top. The second utility pole buried into a hedge by the impact, and the second one resting against the hood of the truck.

CITY MAN HURT

An Edmonton man received slight injuries when the panel of his car hit a utility pole on the corner of 82 Street and Jasper Avenue.

He was sent to hospital by his wife, J. P. McLane to see two years earlier.

McLane asked for a postponement rather than a jail term.

He wanted an opportunity of learning a trade so that he would be equipped to re-establish himself when released from prison.

MAN GETS 2-YEAR PRISON SENTENCE

Daniel R. Turzole, 26, Edmonton, pleaded guilty in district court Saturday to a charge of living off the earnings of a woman.

He was sentenced by His Honour Judge J. P. McLane to serve two years in prison.

Turzole asked for a postponement rather than a jail term.

He wanted an opportunity of learning a trade so that he would be equipped to re-establish himself when released from prison.

DIGNITARIES AT CEREMONY

New \$85,000 Varsity Dental Clinic Opened

New \$85,000 University of Alberta dental clinic was officially opened Saturday night.

It is a ceremony in the campus medical building, university and provincial government officials open the new clinic.

At the reception, the president of the faculty of medicine, Dr. Robert Hamilton, congratulated the faculty of dentistry on behalf of the university.

Dr. Robert Newton, Varsity president, was chairman of the ceremony.

The annual refresher course at the dental school will be held today by the faculty of dentistry.

About 130 Canadian dentists mainly from Alberta, are expected to attend a series of lectures and demonstrations on the clinic facilities.

Executives of the Western Canada Dental Society and the Canadian Dental Association will confer in preparation for a convention next year in Saskatoon.

Guests include Dr. Howard Macmillan from U of A, who attended a banquet at the MacDonald hotel.

Tuesday night a ball will be held for all visiting dentists. Guest speaker will be Dr. Roy E. Ellis, dean of the dental faculty of the University of Toronto. He will speak on dental education.

Other guests at the University of Western Canada, Dr. Howard Merkley, president of the Canadian Dental Association, Dr. William G. Wilson, Dr. W. W. Macmillan, Dr. W. H. Munro, Dr. William H. Elton Taylor, president of the Western Society, Dr. Ross Gibson, of Medicine Hat, president of the Alberta Dental Association.

TWO-TIME WINNER of Edmonton's annual soap box derby is 15-year-old Wayne Pratt, 9907 91 avenue, who repeated his 1947 victory Saturday afternoon by defeating 83 contestants at South Side's Wal-Mart hill course. His record for outstanding performance was another and superior type of vehicle: a sleek, black English racing bicycle.

—Photo by Ross

Wayne Pratt Defends Soap Box Derby Title

Fifteen-year-old Wayne Pratt, 9907 91 avenue, successfully defended his championship by winning the third annual soap box derby at Edmonton Federation of Community

The young Strathearn school student won the event with a different buggy than he used last year and on a new course. Normally held in Labour Day weekend, the derby was changed to new date and place because of the recent snow.

The two-time champion, an teenage English racing cyclist for his stirring performance, said he was beaten by Jim Munro, 16, of Strathcona, in the third prize wrist watch; Jim Munro (assisted by Eldon Taylor), who won the fourth place; and Ricky C. Clark, 15, who was the fifth-place leather billfold, made by veterans at the Col. Mewburn Pavilion.

SIXTEEN entries

Outstanding in the derby occurred when Jim Munro broke his leg after his buggy went over a curb. Munro, who was the third-place finisher, was assisted by Eldon Taylor, who piloted the buggy to the finish line.

Close to 8,000 people watched the 84 entrants vie for top honors.

No one was injured and unharmed. Every boy in the race was given a jackknife and a theatre ticket.

SHOPPING GUIDE

'Kitchamajig' Latest Aid to Home Makers

By Penny Wise

VANCOUVER, Sept. 20.—It's officially called a "kitchamajig" and you can do just about everything with it—except keep your budget down to where it should be. It looks like a big, curved spoon with slits in it and it whips, it lifts, it mixes, it strains, it crushes, it's all for 30 cents.

This item costs a dollar less than the same type of electric baby bottle warmer. You can buy it at a store that acts as a vaporizer in case your little one ever gets brought low with a cold. It's a good time, such as in a stew, or a casserole. If you ever get the chance, try it!

And, you know, with you may be buying a lot of things at once, such as in a stew, or a casserole. If you ever get the chance, try it!

These items cost a dollar less than the same type of electric baby bottle warmer. You can buy it at a store that acts as a vaporizer in case your little one ever gets brought low with a cold. It's a good time, such as in a stew, or a casserole. If you ever get the chance, try it!

Old soldiers may complain that there's no apple in modern plum jam. Young mothers won't complain so much when they find they can buy a four-pound jar of jam for 25 cents. About twice as cheap as jam there is today.

Gosh, we must be a bunch of duffers! The average woman handles from 100 to 150 items. It says here, ranging from meat products to dry groceries and household items. According to a survey shown us that not more than 100 different items are used in a home in a year. And every woman uses things half the times, and right foolish we are to give them the go-by. Some of them are absolutely priceless.

I suppose, while meat gets as far as the market, but it did appear on the markets here for a short time. Then they stopped the price of it so the stores stop-

DOROTHY DIX SAYS—**Meddling Incompetents
Anxious to Advise**

One of the curious things of life is that the more incompetent people are to manage their own affairs, the more certain they are that they can tell everybody else how to achieve glorious successes and become rich and happy.

They are out at the elbows themselves, but they know just how to tell others a million.

Their little sons and daughters with their own husbands and wives are going together like turtles doves.

Their own kids are little hellions, but that doesn't keep father and mother from being an authority on child culture.

Why the people who are so free to advise others on the management of it themselves, is a mystery that no one ever has solved. It is the failures who cannot turn the trick and who will tell everyone else how to do it.

This is a pity, because it is better to listen to advice than to be burdened by people who hold you up and force you to lead an ear of their self-pride about the great things they have done. It is better to have a mind to it, but let the door open to the greatest openmindedness in the world.

That is the adviser. The one who undertakes to run your life for you and who is perfectly ignorant of what you want to do with your problems and manage all of your affairs better than you can.

They are eager beavers who are ready to take your money in Wildcat securities, or break up your marriage, or start a new business, or do anything else to stir up trouble and give them something to talk about.

Nobody is safe from the machinations of the adviser, for the temptation to meddle in other people's affairs is more than they can resist.

But the premeditated victim are the ones coupled with little suspecting the tortures that family members are going to inflict on them by attempting to boss over every move they make.

It is a ghastly truth that more marriages are wrecked by the advisers who try to make the newlyweds follow the dictates of morality, than by drink or gambling, or any other cause whatever.

So, if you are married, and the bride's father's in the house, by keeping him away from these nasty lists, the luxurious-looking media are at work and easy-to-do embroidery. Simple curtain ledge elegance to add to your home.

Our improved pattern—visual with colored chart and photo, and complete directions makes needlework easy.

Beulah Home Holds Anniversary Service

*Mrs. Mary Finlay Reports
Problems and Activities*

Thirty-ninth anniversary service of Beulah Home was held Sunday.

Mrs. Mary A. Finlay, superintendent of the Home, spoke of its problems and accomplishments. In 1947, 177 mothers and 100 children were cared for and so far this year 253 mothers and children have been looked after.

Mrs. Finlay spoke of the care, concern and Christian understanding with which the mothers' lives must be filled.

She urged the many details which must be attended to, hospitalization, cooking of meals, baby diets, laundry, care of the babies, etc., as a means of rendering the best service for the Board, the government and Community Chest.

Department of Child Welfare has co-operated in adoption of babies, Mrs. Finlay said. She gave special mention to members Misses Anna G. Ladd, Mrs. Dorothy Daniels, Mrs. Dorothy Daniels Circle for their help in supplying baby clothing.

There are 29 former members of the staff who are now working in foreign mission fields, according to Mrs. Finlay. Special greetings are sent them each year at Christmastime.

Christian activities at the home are varied and are planned by the pastor and the members.

Chairman of the meeting was J. F. Lyman, local musical director. Guests were Rev. Mr. James A. Baird, Mrs. Lydia Suter and Mrs. Harold Farzackerly were soloists.

J. E. Hoppe, son of Mr. and Mrs. Hoppe, who are taking part were Rev. C. E. Thomson, Dr. W. T. Young, Rev. A. J. Macleachan, Rev. Dr. G. J. McLean, Mr. and Mrs. M. L. Lambourn, Mrs. E. G. Lovell, Mrs. E. Phillips, W. H. St. John, Dr. N. A. Hillier, Rev. R. R. Rimming, Mrs. H. Weston, Mrs. E. J. Hodgkin and Rev. H. Flanagan.

Charming tea will be held by members of the Jasper Place First Presbyterian Church at the home of Mrs. H. Mills, 14151 Summit Drive. Tea will be held Wednesday from 3 to 6 p.m.

Tea and guests will be Mrs. Hills, Mrs. J. McDeath Miller and Mrs. Ernest Scott, president.

Pouring tea will be Mrs. J. H. Wrenn, Miss A. Brown, Mrs. H. Burkwall and Mrs. I. E. Hohn.

Mrs. C. Ritchie and Mrs. J. Welbourne are in charge of the dining room assisted by Mrs. D. Harrold, Mrs. H. Winkle, Mrs. J. W. McRae and Mrs. W. Cassie.

In charge of the sewing and knitting table will be Mrs. K. Kay and Mrs. R. Cieland while Mrs. R. H. Christie will be treasurer.

Hostesses Entertain For Bride-Elect

City homes have entertained recently to honor Kathleen Petrie who will be married during October.

Personal shoppers to honor the bride-elect were held recently by Mrs. J. Weyland and Mrs. W. Erington.

Miss Kathleen entertained friends at the kitchen shown at her home in the Melvillewood entertained at a father and daughter shower when Miss Petrie was presented with a pair of pictures.

Honoring the bride-elect members of the staff of the general and dental offices of the University entertained at the home of Margaret Duke. Pictures of Lake Louise were shown by Wilma Watson, Mrs. J. W. Walker and Mrs. E. Hobson.

Piece of Calypso china was presented to the bride-to-be at a shower held at the home of Joelyn Maye.

FRIENDS AND neighbors in West Jasper Place gathered recently at the home of Mrs. E. H. Howell, which was decked out with autumn flowers for the occasion.

New neighbors of the district were entertained. There were ten guests.

LEAVING THURSDAY for Vernon, B.C., Mr. and Mrs. R. Stanley will be guests of their son-in-law and daughter-in-law, Mr. and Mrs. David Davidson. They will be accompanied by their granddaughters, Barbara and Linda, and Mrs. Barbara, all who have been visiting with them in Edmonton.

MARRIAGE of Betty Richardson to Arnold Logan was held Monday at the home of Mrs. Jack Manson recessive to her home in Jasper Place. Mr. and Mrs. A. W. Richardson of Mayforth. The wedding took place in Edmonton.

After a wedding trip to Banff, the couple will live in Edmonton.

VISITING in Edmonton for a short time is Mr. and Mrs. Parker and Mrs. W. H. Parker, who will leave for her home at the end of the week.

RETURNING TO THE city during the weekend were Mr. and Mrs. C. V. L. Ball who attended the Toronto exhibition and visited Niagara Falls.

SURPRISE SHOWER was held at the home of Mrs. Jack Manson recessive to her home in Jasper Place. Mrs. Manson, a widow, is an eccentric of Wednesday. Twenty-two guests were present.

DINNER PARTY was held in the Purple Lantern recently to honor Doris Wager, bride-elect of Oct. 3. A gift basket was given to Miss Wager from the five guests.

Monthly Female Pains
are usually monthly because of the
natural function of the body. If you
feel pain, it's natural. It's normal.
It's part of your body's way of
protecting you. If you feel pain,
it's your body's way of telling you
that something's wrong. If you feel
pain, it's your body's way of telling
you that something's wrong. If you
feel pain, it's your body's way of
protecting you. If you feel pain,
it's natural. It's normal.

If the functional "oddities"
make you uncomfortable, if you
feel pain, it's natural. It's normal.
If you feel pain, it's your body's
way of telling you that something's
wrong. If you feel pain, it's your
body's way of telling you that
something's wrong. If you feel
pain, it's natural. It's normal.

Change of Life
If the functional "oddities"
make you uncomfortable, if you
feel pain, it's natural. It's normal.
If you feel pain, it's your body's
way of telling you that something's
wrong. If you feel pain, it's your
body's way of telling you that
something's wrong. If you feel
pain, it's natural. It's normal.

With Its Nervous,
Highstrung Feelings?

Are you troubled by distress of female
problems? Do you feel nervous, cranky,
irritable, irascible? Do you feel like
you're losing your mind? Then try Lydia E. Pinkham's
Female Compound. It's a safe, effective
remedy for nervousness, crankiness,
irritability, and restlessness. Lydia E. Pinkham's Compound helps
upset nerves and settles the mind. It
gives you a great sense of well-being.
It's a great tonic! All directions.

OFFICERS OF THE ORDER of St. John of Jerusalem gathered in Edmonton Saturday for first investiture of the Order to be held here. Participating in the ceremony were (seated, left to right) Provincial Commissioner H.

Darling, Sub-Prior C. A. Gray, His Honor Lt-Gov. J. C. Bowes, Priory Commissioner W. J. Bennett, Dr. E. A. Braithwaite, (standing) W. J. Dick, Reg. G. Smith, Maj. C. V. Dacre, Julian Garrett, W. C. Bruce, Dr. E. R. Selby.

British Tighten Defence To Prepare For Conflict

PEACE-MAKER MUST AWAIT VISA

NOTTINGHAM, England, Sept. 20.—(AP)—Arthur Currie, the much-maligned chairman of the sweep who aims to take world opinion away from Britain, has a different reason than the peace of the world—because the diplomats don't seem to be getting back home at night to little time.

He is to wait until the Russians tell him whether he can visit the Soviet Union.

While in London he is asked the British for a visa. The consul, he said, "told us he had been in touch with Moscow and asked us why we shouldn't be allowed to go—but he advised us to go home until we got a visa."

"Very early the sweep said he was going to get Moscow if I have to crawl."

CFC To Decide

WALPOLE, Ont., Sept. 20.—(CD)—The CCF will oppose Lester B. Pearson in the federal by-election in Algoma East will be decided at a CCF meeting here Sept. 27. The Progressive Conservatives have indicated they will not enter a candidate against the newly-appointed minister of native affairs.

Program Endangered

MONTREAL, Sept. 20.—(CP)—Canada's Board of Governors called its annual meeting in danger of collapse because of a shortage of exterminators who will accept work as part-time federal inspectors, a resolution passed at the annual meeting of the College of Veterinary Surgeons of the province of Quebec said yesterday.

By Arthur Gavshon

LONDON, Sept. 20.—(AP)—Britain is tightening her air, land and sea defences from her eastern Pacific outposts to the western approaches of the home islands.

She is doing so because her leaders regard the imminent climatic sweep which aims to take world opinion away from Britain. A slight reason is that policy makers believe a disappearance of military preparedness may discourage provocative aggression.

Cooperating with Britain in organizing ten defence of western Europe, France, Belgium, the Netherlands and Luxembourg actively backed their joint pro-

gramme over Berlin almost from the start.

Informants in touch with the cabinets say government and military leaders have had to face the fact that Britain is not prepared to go in a war with Russia over Germany.

WAR CHANCES REMOTE

She will do most of her aerial raiding on a series of four carriers, 12 destroyers and an undisclosed number of submarines.

In the suggested Commonwealth conference next month she will seek first to share some defence burden among the members, to obtain specific Commonwealth military backing for the five-power pact.

PLEDGE TO BE ASKED

She will intensify efforts to obtain a Canadian and a United States guarantee of the West European alliance in case of war.

She will announce readiness to join the alliance if the participation of a big part of Antarctica by a number of anti-Communist powers in a common interest of her strategic safety.

She will speed up the movement of Canadian troops bases in Kenya, East Africa, so to convert them into the strategic nerve centre of the Commonwealth.

More than the military committee of the Brussels Alliance—on which Canada and the U.S. sit—will be represented.

A British air force commando squadron based in Britain, took part in the biggest exercises to place simultaneously.

NAVY EXERCISE TO START

The home fleet will sail Sept. 23 from Portland, led by the 35,000-ton battleship Duke of York. It will be

in one recent test, an imaginary continental attack on London. All home RAF and auxiliary air force commandos, plus naval and army commando squadrons based in Britain, took part in the biggest exercises to place simultaneously.

Duck Population Higher This Year

Conservationists Study Survey of Breeding Grounds

SWIFT CURRENT, SASK., Sept. 20.—(CP)—Western Canada's wild duck population is increasing says a statement released by Ducks Unlimited over the week-end.

H. W. Cartwright, chief naturalist, said in the statement this was the latest news from the various conservation organizations which met last weekend at Waterfoot Lakes east of Swift Current.

The Duck survey was conducted at the conference included Dominion Wild Life Service, the Royal Canadian Legion, the United States Fish and Wild Life Service and the Alberta Game Commission.

Organizations represented at the conference included Dominion Wild Life Service, the Royal Canadian Legion, the United States Fish and Wild Life Service and the Alberta Game Commission.

The Ducks Unlimted waterfowl survey was concluded at the end of August after making a cross-section of the prairie and mountain lakes and breeding areas of Manitoba, Northern Saskatchewan and North-West Territories.

The statement said more than 6,500 miles were covered by air.

SATISFACTORY IMPROVEMENT

An enthusiastic anger cast his line, "I am pleased to report that the waterfowl surveys have shown that the duck and sander passed through both sides of a seaplane ached there."

Pilot Francis Hustle, in the plane, said the hook barely missed his face.

The gunner dropped his fishing tackle and fled.

Henry V. or France ordered the death penalty for users or importers of indigo, a blue powder used as a dye.

BAIT RUPTURES HULL OF PLANE

YONKERS, N.Y., Sept. 20.—(AP)—Today's fix story:

"An enthusiastic angler cast his line, 'I am pleased to report that the waterfowl surveys have shown that the duck and sander passed through both sides of a seaplane ached there.'

Pilot Francis Hustle, in the plane, said the hook barely missed his face.

The gunner dropped his fishing tackle and fled.

Henry V. or France ordered the death penalty for users or importers of indigo, a blue powder used as a dye.

The statement said more than 6,500 miles were covered by air.

OIL

North Alberta Becomes Mecca

By Cecil Jackson

Success achieved by Imperial Oil in its exploration activities in the northern part of Alberta has resulted in practically all the major oil reservation activity in the province being concentrated in the last six months. A number of large discoveries were taken out in southern Alberta earlier in the year, but recent activity is confined to the area south of a line through Red Deer.

The southern Alberta plates have produced a few fields in minor quantities, but there is no evidence pointing to the existence of a crude oil field major in importance. The Leduc field and Pincher Creek are both in the foothills, and is rumored to have found reservoir conditions too low for oil production.

BIGGER THAN LEDUC

Reliable, though unconfirmed, reports say that Redwater is also a major oil field. The well was drilled to the east so far as previously reported. No wells have been drilled to the west to determine the extent and size of an oil field.

Reliable observers say that the field is believed to be greater in area than the proven acreage in the Leduc field.

CENTRAL SC CORING

Crews are busy coring at Central Oil Co. The Crescents well has been drilled to the east so far as previously reported, and a five foot core was being cut.

THE DII WITH NO DRILLING

Direction taken by the new field is a matter of conjecture among amateur observers. Nearest pre-

Coal Production In Alberta Shows Gain In August

Alberta's coal production increased to 76,000 tons in August from 62,000 tons in July, according to figures just released by the Dominion Bureau of Statistics.

Overall production for the month was 1,236,600 tons in July.

Alberta's coal is the only coal-producing province which showed a production decline during Aug-

ust.

Production during the first eight months of the year totaled 1,243,210 tons while, during the same period in 1946, 1,230,700 tons of coal were imported.

Thieves Are Busy Here on Weekend

Eleven Incidents of Thefts Reported to City Police

Thieves were active in Edmonton over the past weekend.

No less than 11 separate incidents of theft were reported to city police last Friday. These ranged from roses to gasoline, electric drills to toasters, as well as a boy's tricycle.

TOPCOATS STOLEN

Five cases of theft involved topcoats taken from the cloak rooms of Woodward's, Hudson's Bay Company, Eaton's and Macmillan Hotel.

Police are looking two men who are thought to be responsible for the department store thefts and to have operated with a well-organized gang.

Only one case of breaking and entering and one of room prowling during the weekend were reported to police.

Apprehended and reprimanded by police was an 11-year-old Edmonton boy who was caught entering the Jasper Recreation hall, 10131 97 street Sunday by way of a ventillator in the roof.

Police were called by Fred Abbott, Hub Hotel, who surprised the boy shortly after he had entered the hotel.

Nothing was stolen.

WALLET TAKEN

Arthur Long, 10882 92 street, reported the theft of a wallet containing \$100 by a man who entered his room at that address Sunday.

A wallet containing a similar amount of money was stolen from Sam Larson, 19432 116 street, while he was at a local beer room. He complained to police.

Rabbi To Speak Here On Sept. 27

A Jewish Rabbi, recently arrived in Canada from the war-torn Holy Land, will speak to a large audience Monday, September 27.

He is Rabbi Bernard Cherrick of the Hebrew Congregation of the Holy Land, who will speak under the auspices of the Canadian Friends of the Hebrew University.

The meeting will be the scene of some of the most violent fighting in the Holy Land which attacks the safety of the Jews of Israel.

Dr. Cherrick holds degrees from the universities of Manchester and London, and has established a wide reputation as a minister, sociologist, educational and speaker.

CCF Meeting

Regular monthly meeting of Edmonton CCF will be held Tuesday at 8 p.m. in the IOOF hall on 103 street. W. J. G. Thompson will report on the Winnipeg convention. Public is invited.

More Safety Meets Planned

In view of the increase in job accidents this year the safety department of the Workmen's Compensation Board has announced that monthly meetings will be held to advise safety committees and supervisory officials.

First meeting will be at 8:00 p.m., Sept. 27, at the General Construction Hall, 10290 100 street.

Accident toll which prompted a series of safety meetings was 18,477 for the first eight months of 1948. This is an increase of 1,364 over the same period in 1947 and 3,271 over the same period in 1946.

Guest speaker at the first meeting will be Rev. R. H. Baptiste pastor, whose subject will be "The Human Side of Safety."

McKernan League Meets Tuesday

McKernan District Community League will hold its annual meeting and election of officers in the McKernan Community League Hall, 114 103 street and 21st avenue, at 8:30 p.m. Tuesday, Sept. 28. All residents of the district and members are urged to attend.

NOW - for a limited time only!

3-WEEK DELIVERY
